Highlights

iF Design Award Winner

This is one of the world's most prestigious design award, iF seal signifies good design for consumers and the design community. Compact footprint suits contemporary kitchens as well as dedicated UI island provides extra convenience to process.

Rapid Pressure Release Tech

Rapid Pressure Release Technology delivers automatic pressure release in just 7 minutes - 50% faster than stove top cooking.*

Taste Control

Get tastier results with our new Taste Control system - precise pressure and temperature control increases meat tenderness by 22%** and juiciness by 42%.**

Pre-set Cooking Programs

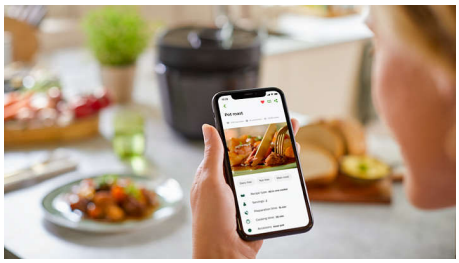

Pressure cooking to slow cooking, sautéing to steaming - enjoy over 35 pre-set menu options at the touch of a button.

Step-by-Step Guidance

Friendly user interface with step-by-step setting guidance makes the cooking process effortless.

NutriU App

Our dedicated NutriU app provides meal prep inspiration from tons of everyday recipes.***

18 Protection Systems

Equipped with 18 safety protection systems for worry-free cooking.

Child Lock

The inbuilt Child Lock system allows you to go about mealtime prep when your family's around

Add Ingredients

Whether you want to add extra ingredients or realised there's something missing from your recipe, simply press the Add Ingredients During Cooking button at any time to drop and stir in with ease.
