Portable shaving

The new series of Philips shaver by European designer, incorporating the elements of a gentleman's decanter, with a black and silver shimmering texture for a touch of luxury, which is palm size, lightweight and portable

Skin comfort

- 3 directional heads adjust to your face and neck curves

Ease of use

- 60 minutes of cordless shaving from an 1-hour charge
- Ergonomic grip for convenient handling
- IPX7 water-resistant for easy cleaning

A clean shave

- Cutting system with curved slots for better hair catching
- Corrosion-resistant and self-sharpening blades

Highlights

60 minutes of cordless shaving

Shave cordlessly for up to 60 minutes after an 1-hour charge. This shaver only operates in cordless mode.

Comfort Cutting System

The unique blade system with curved slots gives better hair catching and ensures a clean results in fewer passes.

Ergonomic design

Confidently handle your shaver with the ergonomic design that helps you keep a secure grip as you shave

Floe 3D

The shaver heads float in 3 different directions, following your facial contours for clean shave, even in areas difficult to reach.

High Quality European Steel

37800+ times per minute, innovative double curve shaped cap, rounded edge ensure smooth gliding, curved cap slots effectively capture hairs and push skin away from cutting position, protect skin while shaving

IPX7 water-resistant

Easily clean under the tap, with the IPX7 water-resistant shaver. The IPX7 rating means that the shaver can be submerged in 1 meter of water for up to 30 minutes.
