

Philips Marathon
Bagless vacuum cleaner

2000W

350W suction power
HEPA 12 filter

FC9200/01

Professional cleaning

with high cleaning power that lasts and lasts

Thanks to Philips' new Cyclone Filter technology, the bagless Marathon vacuum cleaner delivers suction power that lasts. Its efficient design and 2000 W motor deliver very high max. suction power, and it's the quietest bagless available.

Highly efficient anti-allergy system

- EPA AirSeal plus EPA 12 filter

Easy cleaning, even around furniture

- TriActive nozzle with unique 3-in-1 action

Extra long reach for convenient cleaning

- More cleaning with less effort

Traps dust and allergens inside

- EPA 12 filter with 99.5% filtration of dust

Thorough cleaning results all the time

- 2000 Watt motor generating max. 350 Watt suction power
- High performance cyclone filter for lasting suction power

PHILIPS

Highlights

Powerful and quiet motor

The Marathon's powerful 2000 Watt motor generates very high max. suction power in its category. Its efficient design makes it also exceptionally quiet.

Lasting suction power

Thanks to its Cyclone Filter technology, the Marathon maintains a high level of suction power over time, whereas average vacuum cleaners lose suction power quickly as their dust bag or filter becomes clogged.

EPA 12 filter

This special outlet filter captures 99.5% of the dust before the air is blown back into your room, ensuring a clean, dust-free, environment.

10 m action radius

10 m action radius for cleaning with less effort.

EPA AirSeal, EPA 12 filter

This vacuum cleaner has been designed in such a way that all the air taken in is passed through the EPA 12 filter (99.5% filtration) before it is exhausted. No escape is possible.

Manual filter cleaning

Cleaning the filter manually

TriActive nozzle

The TriActive nozzle cleans your floor in 3 ways in one go: 1) A larger opening at the tip of the nozzle easily sucks up big bits. 2) It has maximum cleaning efficiency due to optimized airflow through the nozzle. 3) The two side brushes sweep up the dust and dirt closely alongside furniture and walls.

Specifications

Performance

- Input power (IEC): 1800 W
- Input power (max): 2000 W
- Noise level (Lc IEC): 76 dB
- Suction power (max): 350 W
- Vacuum (max): 30 kPa
- Airflow (max): 40 l/s

Design

- Color: Black

Usability

- Cord length: 7 m
- Action radius: 10 m
- Tube coupling: Button
- Carrying handle: Top and front
- Tube type: Metal lacquered 2-piece telescopic tube
- Power control: Electronic on appliance
- Wheel type: Rubber

Nozzles and accessories

- Accessories included: Brush, Crevice tool, Small nozzle
- Standard nozzle: TriActive nozzle
- Accessory storage: On handgrip

Weight and dimensions

- Weight of product: 7.2 kg

Filtration

- Dust capacity: 2 L
- Exhaust filter: Super Clean Air HEPA 12 filter
