- Sturdy base stands stable, even during kneading
- Dishwasher safe accessories
- Break-resistant jar for intensive use

PHILIPS

Highlights

850 W motor

This Philips Food Processor offers a powerful motor with 2 speeds and pulse, providing power and control to prepare all your favorite recipes.

PowerChop technology

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result in both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

2 speed settings and pulse

For best results, use the low speed setting (speed 1) to whip cream, beat eggs, create

pastries and bread dough. The higher speed setting (speed 2) is well-suited to chop onions and meats, blend soups and smoothies or shred, slice, grate or rasp vegetables.

Up to 5 portions in one go

The generous 2.1L bowl (1.5 L working capacity) enables you to blend up to 5 portions of soup in one go.

6 steel disc inserts

Simply select the right disc insert (slicing, shredding, granulating and julienne) to prepare your favourite food and click it on the disc holder.

Accessories for 30+ function

The - dishwasher safe - accessories are a kneading tool to mix and knead batter and dough. A stainless steel chopping knife to prepare meat and vegetables. Various disc inserts to handle shredding and grating. Break resistant blender of 1L for blending, crushing and stirring different ingredients. An emulsifying disc to prepare food like whipped

cream and mayonnaise. A chopper mill to grind e.g. coffee beans

Break-resistant jar

A 1.75-liter break-resistant jar has a working capacity of 1 liter for up to up to 5 smoothie portions at once.

Sturdy base

Sturdy base stands stable, even during kneading

Dishwasher safe accessories

All Philips Food Processor accessories included in your box are dishwasher safe.
