Highlights

Soft tip for your comfort

Want to take care of sensitive gums? Click on the Comfort nozzle and gently guide the soft rubber tip along your gumline.

Guidance tip

The slim angled nozzle and guidance tip make finding the correct placement easy. Position the nozzle tip just above the gum line, press gently so that the nozzle tip is in contact with the gum line and the teeth, and slide from one tooth to the next.

97% agree, soft on teeth & gum

97% of users agree that the Philips Power Flosser is gentle on their teeth and gums.
