Airfryer  
Rapid Air technology 0.8Kg, 4.1L, White/Grey

# Highlights

## Airfryer experts for 10+ years

Our team of experts have been perfecting the Airfryer technology for over 10 years.

## Air is the new oil

The Philips Essential Airfryer uses hot air to cook your favorite foods to crispy perfection, with up to 90% less fat.\*

## Easy to use and clean

All removable parts are dishwasher safe. Our Airfryer's QuickClean basket has a non-stick coating for easy cleaning. Frying with air also means your home will be free from the odor of traditional deep-frying.

## Time and Temp control

The integrated timer allows you to preset cooking times of up to 60 minutes. The auto shutoff function includes a sound to let you know your dish is ready. A fully-adjustable temperature control lets you preset the best heat setting for the food you're cooking, up to 200 degrees. Enjoy crispy golden-brown fries, snacks, tasty chicken and more – all prepared

at the right temperature for the ideal amount of time.

## Rapid Air technology

Rapid Air Technology, with its unique "starfish" design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little to no added oil.

## Bake. Grill. Roast. Or reheat.

The new Philips Essential Airfryer opens up a world of possibilities: fry, bake, grill, roast and even reheat! Cook your food to perfection every time, no matter what you choose to make.

## Personalized recipes

Receive daily recipe recommendations that suit your family's preferences. The more you use NutriU, the better it can tailor delicious recipe ideas to your needs. Get inspired by other cooks, and follow people with similar tastes\*\*\*.

HD9200/11
