

Philips s-bag
Vacuum cleaner bags

3 x dust bags
One standard fits all
80% longer lifetime
5L XXL capacity

FC8027/01

s-bag® Ultra Long Performance

Maximum capacity and cleaning performance

s-bag® is the universal dust bag for all Philips, and Electrolux (Electrolux, AEG, Volta, Tomado) vacuum cleaners with bag. When buying replacement bags, just look for the s-bag® logo. Usage of non-original bags can damage your cleaner.

One standard, no hassle

- A universal standard for an easy choice

Maximum performance and filtration

- Multi-layer material for excellent filtration
- XXL 5L capacity and extreme suction even as the bag fills up
- 80% longer lifetime than traditional vacuum bags
- TÜV certified for trusted results

Top quality and hygiene

- High resistance synthetic material, made in Sweden
- Hygienic closing system for easy disposal

PHILIPS

Highlights

Universal standard

The original Philips s-bag® can be used for all Philips and Electrolux Group (Electrolux, AEG, Volta, Tornado) vacuum cleaners with bag. Skip the hassle of endlessly searching for a dust bag, simply look for the s-bag® logo.

Ultra Long lasting performance

s-bag® Ultra Long Performance lasts 80% longer than traditional vacuum bags. The special synthetic material of the bag and the 5L XXL capacity ensure optimum airflow to maintain the suction power of your cleaner for much longer.

XXL 5L for extreme suction

The new high performance synthetic material of this bag ensures optimum air flow and gives your vacuum cleaner extreme suction power during the entire lifetime of the vacuum bag. Use the XXL 5L capacity of the bag and get extreme suction power even as the bag fills up!

Top filtration capacity

Thanks to excellent filtration in the multi-layer material, even the finest particles are captured, contributing to a better cleaning result and clean air quality in your home, and helping you get rid of airborne particles such as allergens.

The Philips s-bag® Ultra Long Performance has been independently tested and certified by the TÜV Rheinland Group.

Hygienic closing system

The patented closing system of the Philips s-bag® allows for easy and clean disposal, without spilling the trapped dirt that is inside.

Highly resistant material

The s-bag® Ultra Long Performance is made of a highly resistant synthetic material, produced in Sweden.
