Highlights

Value for Money

Better value for your money (~30% discount)

All you need

The Saeco Maintenance Kit is the most convenient kit to perfectly keep the top performance of your Saeco Espresso Machine.

Special Espresso Decalcifier

The Philips Saeco decalcifier perfectly cleans all the water circuits in your espresso machine.

Reduces limescale build-up

Limescale is a natural part of water used for the machine's operation. This special decalcifier protects your appliance from the build-up of limescale which affects performance and taste. It is highly effective, safe and easy to use. For effective decalcification descale when the machine requires it or after 250 cups according to water hardness.

Longer lifetime

The water filter extends the lifespan of your espresso machine, ensuring you can enjoy the best-tasting coffee for longer.

Intenza+water filter cartridge

Mavea INTENZA+freshly filtered water for richer coffee aroma

Better taste and aroma

Regular maintenance ensures the best taste and aroma from your Saeco espresso machine.
