Senseo®

PHILIPS

Highlights

Machine is tested >10.000 time

Philips tests their coffee makers during the development process for more than 10.000 cups of coffee. This ensures high quality and durability

Delicious coffee crema layer

The fine SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

Improved coffee temperature

Improved coffee temperature in the first cup

Real metal drip tray

Real metal drip tray

Variety of blends and flavors

Variety of coffee blends and flavors for different tastes available at www.senseo.us

Removable XL water tank

The 40.6 oz capacity of the Extra-Large Water tank accommodates water for 8 cups of SENSEO® coffee. This means more convenience and less refills. The Extra-Large Water Reservoir is dishwasher-proof and can be easily removed. You can spend more time enjoying the coffee in an easy and effortless manner.

1 or 2 cups at the same time

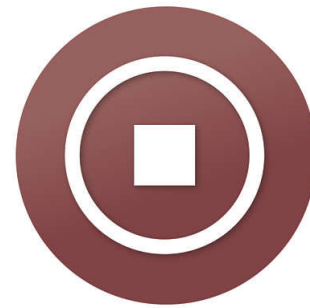

Prepare 1 or 2 cups of your delicious SENSEO® coffee in less than a minute.

Automatic shut-off

The SENSEO® coffee maker automatically shuts off after 30 minutes after making coffee, for energy cost saving and appliance safety.

Manual brew stop

This SENSEO® coffee maker allows manual brew stop to stop the brewing cycle whenever you want.

Shorter spout

The XL Original comes with a shorter spout to fit taller mugs.
