Highlights

Pressurized Crema filter

This special Crema filter guarantees a long-lasting, delicious Crema – whatever coffee blend you may choose.

15 bar pump

High pressure ensures that the ground coffee entire aroma is always fully extracted

machine, it also pre-heats them letting the aroma unfold even better and guaranteeing a long-lasting crema

Ergonomic in day by day

Refilling coffee powder or water, emptying the filter or the drip tray. All compartments are directly accessible for maximum convenience.

Ground coffee and pads

For your convenience you can choose between ground coffee pads

Long lasting premium materials

Saeco Manual Espresso machine features high quality and durable housing material.

Classic milk frother

This Saeco espresso machine comes with the classic milk frother that baristas call a "Pannarello". It dispenses steam and is immersed in milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialties the traditional way!

Cup warmer

This feature allows you to not only store your espresso cups and glasses right on the espresso
