## Highlights

### Smart light feedback

Smart light feedback indicates the status of the iron at any time.

### Quick heat up

Power up to 2400 W for faster heat-up time

### Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

### Up to 35 g/min of steam

Continuous steam up to 35 g/min for better crease removal.

### Ceramic soleplate

Ceramic soleplate is scratch-resistant, glides well and is easy to clean.

### Compact smart charging base

The compact Smart charging base enables a powerful cordless steam performance. Enjoy the ultimate freedom of movement without changing your ironing pattern: the iron will charge itself on the compact Smart charging base while you rearrange the garment. To ensure constant steam performance the Smart charging base will indicate with a yellow light that the iron needs to be recharged; it also ensures that the iron gets fully charged in less than 6 seconds. The blue light indicates that the iron is ready to use.

### Easy storage

The cord can be wrapped around the heel rest so that the appliance is easy to store.

### Carry lock

Safe storage after ironing on the base. The cord can be wrapped around the body of the base, so that the appliance is easy to store.
