

Philips
Steam iron

GC1490

Simple, fast and effective

Self-clean steam iron

There's so much more to life than household chores, so you want to get them done as quickly as possible. With its uniquely designed steam holes and non-stick soleplate, this quality Philips iron is simply built for speed.

Powerful performance

- 1400 Watt enables constant high steam output

Comfortable ironing

- The pointed tip makes ironing along buttons and seams easy
- Less refilling with large 270 ml water tank

Easy gliding on all fabrics

- Non-stick soleplate coating

Full control

- Iron temperature-ready light

Easily removes creases

- Continuous steam up to 20 g/min for better crease removal

PHILIPS

Highlights

1400 Watt

This powerful iron heats up quickly and maintains very stable temperatures during ironing, making it easier to remove creases properly.

Continuous steam up to 20g/min

Continuous steam up to 20 g/min for better crease removal.

Iron temperature-ready light

Indicator light goes off when the required ironing temperature has been reached.

Large water tank

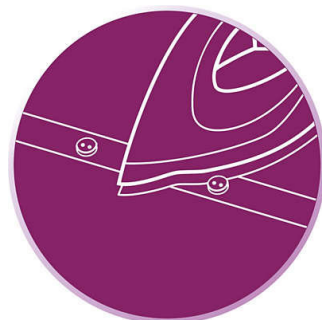

Less refilling with the extra-large 270 ml water tank so you can iron more clothes in one go.

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Pointed tip

The pointed tip makes ironing along buttons and seams easy.
