Highlights

DuraPower

A device you can always rely on for a great look. DuraPower technology protects the motor and battery from overworking, effectively extending the clipper's lifespan.

28 lock-in length settings

Perfect for any haircut length, the Philips clipper includes 2 adjustable combs and an additional 2mm beard comb. Achieve precise cuts from 3mm to 28mm in 1mm increments. Use the 2mm stubble comb for a short haircut or to style your beard, or remove the comb for an ultra-close 0.5mm trim.

Self-sharpening stainless steel blades

The self-sharpening steel blades are designed to be incredibly long-lasting. Even after 5 years they cut with the same precision and accuracy as day 1.

Corded and cordless use

The hair clipper's powerful battery provides up to 75 minutes of cordless power after 8 hours of charging. Giving you maximum power and freedom.

100% washable

Keep your clipper clean effortlessly by rinsing it under the tap for quick and easy maintenance.

Comfortable grip

Philips clippers feature a textured grip for easy handling, ensuring you can cut your hair with control and comfort.

Zero maintenance

Experience clipping power that's easy to maintain — Philips' blades never need oiling.

Hair clipper built to last with no oil required

All of our Hair clipping products* are built to last. They come with a standard global 2 year warranty, including the option to extend up to 5 years** and they never need to be oiled.

Hairclipper series 5000

Washable hair clipper

HC5612/15

Highlights

Up to 2-year guarantee

A grooming product built to last: the warranty offers coverage for up to 5 years, including a 2-year standard global warranty, with an additional 3 years available upon registering the device within 90 days of purchase.

Extra beard comb

It's all about the finishing touches. Trim your stubble or quickly touch up your hair with the additional 2mm beard comb included.

Trim-and-Flow technology

Effortlessly achieve your perfect haircut. Our innovative comb is designed to prevent hair from getting stuck or tangled, ensuring a smooth cutting experience from start to finish.
