- Self-sharpening metal blades

Precise length control

- Tames beards and stubble
- Adjusts to different length settings

Built to last

- The blades never need oiling
- Warranty for purchase protection

Highlights

DuraPower technology

The DuraPower technology lowers the friction on the blades, which protects the motor and the battery from being overloaded. This way, the battery life time of your clipper is increased.

Self-sharpening metal blades

Self-sharpening metal blades are incredibly long-lasting. Even after 5 years, they cut just like they did on day one.

13 lock-in length settings

Cut your hair to the exact length you want. Just select one of 12 length settings between 1mm to 23mm at 2mm increments, or remove the comb for a close 0.5mm trim.

Extra adjustable beard comb

Electric hair clippers to easily trim your beard or stubble, the adjustable beard comb has 12 length settings between 1mm to 23mm at 2mm increments, or you can remove the comb entirely for a close 0.5mm trim.

Cordless & corded use

Use the clipper cordless for maximum power and freedom. Its powerful NiMH battery which provides up to 45 minutes of cordless power after 8 hour of charging.

Comfortable grip

Philips clippers have a textured grip designed for easy handling, so you can cut your hair with control and in comfort.

Easy to clean

Clean your electric hair clippers with ease. Simply click open the head to release and clean the blades.

Zero maintenance

Clipping power that's easy to maintain—our blades never need oiling.

2-year worldwide guarantee

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
