Highlights

18 tools for face, hair and body

This all-in-one trimmer conveniently trims and styles your facial hair, clips your hair and grooms your body.

DualCut technology

This all-in-one hair trimmer features advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

Full-metal trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Bodyshaver with skin protector

Comfortably shave below the neck with our unique skin-protection system that guards even the most sensitive areas of your body and lets you shave as close as 0.5 mm

Precision shaver

Use the precision shaver after trimming, to perfect the edges of your cheeks, chin and neck.

Wide hair clipper

Quickly create your own hair style. The extra wide 41 mm hair clipper cuts through more hair per stroke.

Full-metal detailer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

11 Impact-resistant combs

2 stubble combs (1, 2 mm), 1 adjustable beard comb (3-7 mm), 4 wide hair combs (4, 9, 12, 16 mm), 2 fading hair combs (left, right) and 2 body combs (3, 5 mm).
