- 2 year guarantee, worldwide voltage and replaceable blades

A comfortable shave

- Shave through dense parts of beard with 20% more power

A comfortable and close end result

- Super Lift & Cut Action
- Get a comfortable dry or refreshing wet shave with Aquatec
- Blades raise then cut long and short hairs for a fast shave
- Heads flex in 5 directions for a fast, close shave

Get the most out of your shaver

- Click-on beard styler with 5 length settings

Highlights

Super Lift & Cut Action

Shave closer with the dual-blade Super Lift & Cut Action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

MultiPrecision Blade System

Get a shave that's fast and close. Our MultiPrecision Blade System raises and cuts all hairs and remaining stubble – all in a few strokes.

Aquatec Wet & Dry

Shave your way. With the 100% waterproof Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet with gel or foam or even under the shower.

5 direction Flex Heads

5-directional ContourDetect Heads follow every curve of your face and neck to give you an easy, comfortable shave even in tough to reach areas.

Turbo+ mode

Shave even faster through dense parts of your beard with the 20% extra power boost you get by activating Turbo+ mode.

50 minutes of cordless shaving

With a powerful, energy efficient and long-lasting lithium-ion battery, you can get 50 minutes of cordless shaving time from a one hour charge. That's about 15 shaves! Or if you

are in a rush, use a 5 minute quick charge to give one full shave. Comes with a UK 2-pin plug.

SmartClick Beard Styler

Change your look with the SmartClick beard styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs are designed to prevent skin irritation.

Built to last

All of our shavers come with a 2 year worldwide guarantee and can adapt to any voltage. The long-lasting blades only need to be replaced after 2 years.
