Highlights

Smooth skin for up to 4 weeks

Double Action Technology synchronises long ceramic tweezers in continued actions to firmly grip and remove hairs as short as 0.5 mm. Get ready for smooth, hassle-free weeks ahead.

Our fastest epilator

Our tweezers rotate faster per minute than Braun Silk-pil 9. The wide epilator head with 50% longer tweezers removes more hair in one go*.

Engineered to be gentle

32 ceramic tweezers made of hypoallergenic material for a comfortable treatment. They easily glide over your skin with less friction and more skin contact*. Feels great on the skin, say 91% of women**.

Body exfoliation brush

Our body exfoliation brush with 48,200 hypoallergenic bristles gently removes dead skin cells, helps to prevent ingrown hair and stimulates the regeneration of the skin surface. This brush will exfoliate your skin more effectively than manual treatment alone.

Smooth feet in minutes

Our 3-in-1 rotating precision disc gives you heel-to-toe smoothness in just 5 minutes. Use the flat surface for larger areas, the top for smaller areas and the curved side for hard-to-file areas. It's that easy.

Shave and trim

Complete your hair removal routine for sensitive areas with extra shaver head and trimming comb.

Style your bikini line

Trim shapes and bikini lines down to 1 mm. For an even, neatly groomed bikini area.

Relaxing body massager

Enjoy a relaxing treatment with our body massager for a radiant-looking skin.

Trim facial hair with ease

Includes pen trimmer with 8-mm trimming head for a precise touch-up on facial area. With compact design for on-the-go.

Tweezers for precise plucking

Finish the perfect look for your eyebrows with extra tweezers in the set.
