### Versatility

- Get the details right
- Keeps nose and ear hair at bay
- 11 pieces to trim your face and hair
- Cut hair to your length
- Self-sharpening blades for a smooth result

# Highlights

## DualCut technology

This all-in-one hair trimmer features advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

## 11 tools for face, hair and body

The Philips Multigroom all-in-one hair trimmer comes with 11 attachments to provide a full-body grooming solution.

## Full-metal trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

## Full-metal detailer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

## Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

## 8 Impact-resistant combs

Quickly touch up your face and hair with the eight reinforced cutting guards. 2 stubble combs for 1 mm and 2 mm trimming, an adjustable beard comb, 3 hair combs at 9 mm, 12 mm and 16 mm, and 2 body combs for 3 mm and 5 mm grooming.

## Soft rubber grip

Your trimmer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

## Showerproof

This trimmer is designed to be water-resistant, so that you can use it comfortably in the shower and easily clean it under the tap.

## Guarantee

We back this Philips trimmer with a 3-year guarantee. Our grooming products are built to last and engineered to give a reliable performance, time after time. This trimmer's parts never need to be oiled, and its battery is compatible with all voltages, worldwide.

## Up to 120 minutes run time

This Philips trimmer gives you up to 120 minutes of cordless use from a single 1 hour charge. A quick 5 minute charge provides enough power for one full trim.
