## Highlights

### Full body grooming

Now you can confidently trim and shave everywhere on your body with just one tool. This Philips full body trimmer for men cuts hair at 3 different lengths for clean, even results on your back, shoulders, chest, abs, underarms, arms, groin and legs.

### Skin-friendly body shaver

The men's body groomer is designed to capture short, long and thick hair in a single stroke. The shaver head features patented rounded tips and a hypo-allergenic foil to protect your skin from cuts and nicks.

### Bi-directional body comb

1 comb included for a natural 3 mm trim. Attach the comb onto the shaving system, to trim hair to a fixed length of 3 mm. You can use the shaving system without the comb for a closer result. For thicker hair, pre-trimming with the comb is recommended.

### Rechargeable battery power

High-power rechargeable battery for full body use, with 50 minutes of cordless use after an 8 hour

charge. The battery light indicates power status, when the battery is low or full.

### 100% Showerproof

Your wet and dry body groomer is 100% water resistant, so you can use it in or out of the shower. For best results, use on dry hair before showering.

### Ergonomic grip

Your body groomer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

### Built to last

All of our grooming products are built to last. They come with a 2-year warranty and they never need to be oiled.
