Cut your family's hair

with our quietest clipper for both adults and kids

Cutting your family's hair has never been easier. This clipper offers a powerful yet ultra-silent motor, a lightweight and ergonomic design, and skin-friendly blades and comb tips for the best performance on kids' and adults' hair.

Easy to use

- Corded hairclipper for constant power
- Adjusts to different length settings
- Making light work of family haircuts
- Quick release blades for easy cleaning

Best performance that feels great

- Rounded combs to prevent tugging and irritation
- Quiet and powerful performance

Built to last

- 2-year guarantee, worldwide voltage
- The blades never need oiling
- Long-lasting performance

PHILIPS

family hair clipper
Stainless steel blades 11 length settings, Corded use

QC5115/15

Highlights

11 lock-in length settings

Cut your hair to the exact length you want. Just select one of the 11 length settings between 3 mm and 21 mm in 2 mm increments, or remove the comb for a close 0.5 mm trim.

Ultra-quiet

Philips clippers are family friendly and offer all the performance without the noise. The smooth motor is engineered for power and reduced vibration to help keep them calm while clipping.

Skin-friendly combs and blades

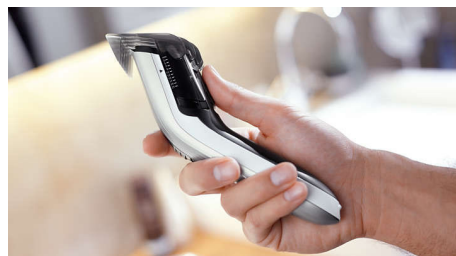

The blades and combs on this hair cutter have rounded tips for a safe, smooth haircut.

Self-sharpening steel blades

The self-sharpening steel blades on this hair clipper are designed to deliver consistent results, time after time.

Compact and lightweight

The ideal hair cutter for children, this family-friendly clipper is ergonomically designed, super lightweight and easy to use.

Corded use only

No flat batteries mid-cut. This Philips hair clipper is corded for constant, reliable power.

Easy to clean

Clean your electric hair clippers with ease. Simply click open the head to release and clean the blades.

Built to last

All of our grooming products are built to last. They come with a 2 year worldwide guarantee and worldwide voltage compatibility.

Zero maintenance

Clipping power that's easy to maintain—our blades never need oiling.
