- The handle and bodygroom attachment are water-resistant

### Perfect stubble

- Try different lengths to get the trim that suits you best
- Change your look with ease and precision

# Highlights

## Click-on/click-off attachments

Just click the attachment you need onto the handle to turn it into a shaver, beard trimmer or bodygroom. Click it off again when you've finished. For a smooth face, choose the shaver. For perfect stubble, reach for the trimmer. Want to groom your body hair? Time for the bodygroom. One tool, any look.

## Smooth face

Shave wet with shaving cream for extra skin protection, or dry for convenience.

## Smooth face

The dual rotary razor attachment is designed for an easy and clean shave with no nicks and cuts.

## Perfect stubble

Create anything from perfect stubble to a neatly trimmed beard or moustache. Simply rinse under the tap to clean.

## 5 different length settings

Choose from 5 length settings: 1 mm for perfect 3-day stubble to 5 mm for a short beard.

## Groomed body

Rounded combs and pearlescent tips prevent skin irritation for reliably smooth grooming all over your body.

## Water-resistant

Comfortably trim and shave all your body hair, under the shower if you prefer.

## Quick 1-hour charge

The powerful battery lasts up to 40 minutes after a 1-hour charge. A 5-minute charge gives you several minutes of running time, so you can quickly finish off.

## Battery light

The battery light goes on to show when the battery is low, charging or full.

## Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage. The trimmer blades never need to be oiled. The long-lasting blades only need to be replaced after 2 years. You should replace the bodygroom's shaving foil every 12 months.
