- Heads flex in 5 directions for a fast, close shave
- Blades raise then cut long and short hairs for a fast shave

Get the most out of your shaver

- Click-on trimmer for perfect moustache and sideburn trimming

Highlights

Super Lift & Cut Action

Shave closer with the dual-blade Super Lift & Cut Action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

Aquatec Wet & Dry

Shave your way. With the 100% waterproof Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet with gel or foam or even under the shower.

Turbo+ mode

Shave even faster through dense parts of your beard with the 20% extra power boost you get by activating Turbo+ mode.

MultiPrecision Blade System

Get a shave that's fast and close. Our MultiPrecision Blade System raises and cuts all hairs and remaining stubble – all in a few strokes.

5 direction Flex Heads

5-directional ContourDetect Heads follow every curve of your face and neck to give you an easy, comfortable shave even in tough to reach areas.

One-touch open

Simply pop the heads open and rinse thoroughly under the tap.

50 minutes of cordless shaving

With a powerful, energy efficient and long-lasting lithium-ion battery, you can get 50 minutes of cordless shaving time from a one hour charge. That's about 15 shaves! Or if in a rush, a 5 minute quick charge will give one full shave. Comes with a UK 2-pin plug.

SmartClick precision trimmer

Click on our skin-friendly precision trimmer to finish your look. It's ideal for maintaining your moustache and trimming your sideburns.

Built to last

All of our shavers come with a 2 year worldwide guarantee and can adapt to any voltage. The long-lasting blades only need to be replaced after 2 years.
