# Highlights

## 1.8m cord

1.8m cord.

## 1800W for perfect drying

This 1800W hairdryer creates the perfect level of airflow and drying power, for beautiful results every day.

## 3 flexible speed settings

This hairdryer offers 3 pre-selected speed/heat combinations to make it quick and easy to achieve the perfect style.

## Cool Shot sets your style

A must-have professional setting, the Cool Shot provides a burst of cold air. Use after styling to set and finish your style.

## Dual voltage

Dual voltage for worldwide use

## Easy storage hook

A rubberized hook can be found on the base of the handle. Use to store easily at home or if staying at a hotel.

## Ionic conditioning

Give your hair an instant care with ionic conditioning. Charged negative ions eliminate static and conditions the hair to intensify the

hair's shine and glossiness. The result is smooth and frizz-free hair that shines beautifully.

## ThermoProtect temperature

The ThermoProtect temperature setting provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

## Foldable handle

This hairdryer has foldable handle, making it easy to pack, store and take with you anywhere you go.

## Pleasant sound

The design of the air inlet grill allows for increased air flow while, the shape and size of the dryer improves flow of the air through the dryer. The result is faster, more effective drying power with a pleasant sound\*. Now you can enjoy a powerful and comfortable experience.
