### Extra gentle drying for your hair

Cleverly designed, this compact hair dryer is easy to handle and lightweight. The ThermoProtect temperature setting provides the optimal hair drying rate while protecting your hair from overheating.

#### Easy to use

- Compact design for easy handling
- Easy storage hook for convenient storage
- 2 years of worldwide guarantee

#### Beautifully styled hair

- 1000W for beautiful results
- 2 flexible speed settings for careful drying
- Narrow concentrator for focused airflow

# Highlights

## 1000W

This 1000W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

## 2 flexible speed settings

Careful drying with 2 flexible speed settings

## Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

## Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

## Narrow concentrator

The concentrator works by focusing the flow of air through the opening onto specific areas. This results in precise styling and is great for touch ups or to finish a style.

## 2 years guarantee

2 years of worldwide guarantee.
