- Get the details right
- Keeps nose and ear hair at bay
- Cut hair to your length
- Self-sharpening blades for a smooth result

Multigroom series 5000

9-in-1, Face and Hair

MG5720/13

Highlights

DualCut technology

This all-in-one hair trimmer features Advanced DualCut Technology for maximum precision. It comes with double blades and is designed to stay as sharp as day 1.

9 tools for face and hair

Philips Multigroom 3000 all-in-one hair trimmer comes with 9 attachments designed to conveniently style your facial hair and clip your hair.

Full-metal trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Full-metal detailer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

6 Impact-resistant combs

Quickly touch up your face and hair with the six reinforced cutting guards. 2 stubble combs for 1 mm and 2 mm trimming, 1 adjustable beard comb and 3 hair combs at 9 mm, 12 mm and 16 mm.

Up to 80 minutes run time

This Philips trimmer gives you up to 80 minutes of cordless use from a single 16 hour charge.

Soft rubber grip

Your trimmer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

Waterproof

Simply rinse the device and attachments after each use for long-lasting performance.
