- Blinking LED light indicates when the device is ready to use

Beautifully styled hair

- 16mm curling barrel for bouncy curls and ringlets
- 200°C high heat temperature for optimal results

Less hair damage

- Protective ceramic coating for extra gentle styling

Highlights

Vivid, bouncy curls

With the barrel diameter of 16 mm barrel you can create bouncy, full of life curls and ringlets for joyful and young look.

Ready to use indicator

The LED light stops blinking when the curler has heated up and is ready to use.

1.8 m cord

Convenient to use thanks to the 1.8m power cord length.

Gentle on your hair

Protective ceramic coating ensures even heat distribution and less hair damage for shiny and soft hair.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

200°C high heat temperature

200°C high heat temperature guarantees optimal results, while minimizing hair damage.

Fast heat up time

This styler has a fast heat up time, being ready to use in 60 seconds.

2 years guarantee

Philips offers a full 2 years guarantee for this product to ensure you have long lifetime product to use every day.
