Highlights

Soothing ice pack

Cools and relieves your skin while epilating.

Ceramic epilation system

This epilator has an unique ceramic material and ergonomic shape, for up to 20% faster* epilation. *compared to Philips Satin Ice.

Active massage system

Minimises the pulling sensation for extra comfort.

Extra sensitive area cap

Extra sensitive area cap

Exfoliating body puff

The Satinelle Massage comes with an exfoliating body puff for use in the shower, which you can use to prepare your legs for hair removal. Regular use will keep your legs silky smooth and help you avoid the re-growth of hairs under the skin (in-grown hairs) in addition to polishing and refining your skin.

Soft touch gel grip

This new and innovative gel soft touch material for perfect grip and optimal handling. Compared to normal soft touch material, this gel material does not get dirty on the shelf.
