

Philips  
shaving heads

Flex Tracker system

HS85/40

## Keep a close shave

Change heads every 12 months for best results

Every year, your blades travel the height of Mt. Everest ... 49 times! After such a workout, even the best materials can lose their edge. Retain your shaver's peak performance - replace the heads once every 12 months.

### **Comfortably close**

- Super Lift & Cut shaving technology with dual blade system

### **Shave in or out of the shower**

- Wet use

### **Skin protection system**

- Flex Tracker system

### **Superior gliding**

- Glide rings

HS85/40

# Highlights

## Flex Tracker system

The Flex Tracker automatically tracks the curves of your face and helps to protect against skin irritation.

## Super Lift & Cut technology

Dual-blade system of your Philips shaver: first blade lifts, second blade cuts for a comfortable close shave.

## Glide rings

The shaving heads have unique glide rings to help the shaver move smoothly over your face.

## Wet use

Use the shaver in the shower to save time and give yourself the fresh sensation of wet shaving.
