Highlights

Self-sharpening blades

The self-sharpening steel blades on this trimmer for face and body are reinforced with iron and tempered for maximum strength. This results in blades that stay as sharp as day 1. No rusting. No blade oil needed.

11 tools for face, hair & body

The Philips Multigroom all-in-one hair trimmer comes with 11 attachments to provide a full-body grooming solution.

Full-metal trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Precision shaver

Use the precision shaver after trimming, to perfect the edges of your cheeks, chin and neck.

Full-metal detailer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

8 Impact-resistant combs

Quickly touch up your face and hair with the eight reinforced cutting guards. 2 stubble combs for 1mm and 2mm trimming, an adjustable beard comb, 3 hair combs at 9mm, 12mm and 16mm, and 2 body combs for 3mm and 5mm grooming.

Up to 75 minutes run time

This Philips trimmer gives you 75 minutes of cordless use from a 8-hour charge. A quick 15-minute charge provides enough power for one full trim.

Soft rubber grip

Your trimmer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

Storage pouch

Declutter your bathroom and gym bag, and keep all your attachments in one place, with the small storage pouch for easy organization and travel.

2-year worldwide guarantee

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
