Highlights

Ceramic plates

Ceramic is microscopically smooth and durable by nature, and is therefore one of the best materials for straightening plates. The plates glide effortlessly through your hair, giving you perfect shiny hair.

Guiding comb

The integrated teeth ensure that the hair is evenly distributed across the straightening plates.

Instant heat

No more waiting around for your styler to heat up; this allows you to switch on and get styling

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.
