## DuraPower technology

This beard trimmer uses DuraPower technology to reduce friction on the blades, preserve the motor, and keep your battery going four times longer.

## 30 min cordless use

Charge your trimmer for 8 hours with your USB cable to get 30 minutes of cordless use.

## USB charging

This beard trimmer comes with a USB cable for more flexible charging via your computer or any USB adaptor. The adaptor is not included (recommended adaptor Philips HQ80).

## Choose any of the 3 looks

Use the 5mm comb to trim your long beard, the 1mm comb to create a 3-day stubble look or use your trimmer without a comb to have a zero trim.

The green light on the adaptor lets you know when your device is charging.

## Skin-friendly blades

Designed to prevent scratches and irritation, the blades have rounded tips for smoother skin contact.

## Travel lock
