

Philips Beardtrimmer  
series 1000  
Beard trimmer

#### Stainless steel blades

DuraPower, 30min cordless use  
USB charging  
2 stubble and beard combs

BT1210/15

## Durable consistent performance with DuraPower

### Self-sharpening stainless steel blades

The DuraPower technology ensures a long-lasting battery performance, while the self-sharpening stainless steel blades trim consistently as on day 1. This trimmer can also be charged with a micro-USB cable and runs for up to 30 minutes.

#### Easy to use

- Longer lasting battery
- USB charging for convenient use
- Travel lock prevents trimmer from accidentally starting
- Simple maintenance
- Easy to grip
- Up to 30 minutes of cordless use after 8 hours charging
- Know when it's time to charge

#### Built to last

- 2-year guarantee, worldwide voltage, no oil needed

#### Trimming performance

- Get a perfect but protective trim
- Choose 5mm long beard, short 3-day stubble or zero trim look
- Skin-friendly blades for smooth skin

BT1210/15

# Highlights

### Self-sharpening blades

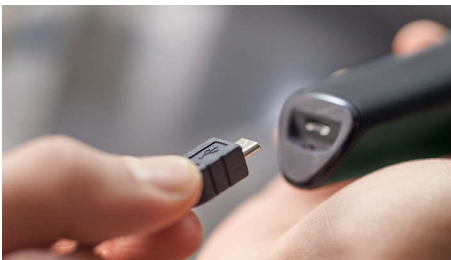

The self-sharpening steel blades on the Philips 3000 beard trimmer stay as sharp and effective as on day 1 to deliver a perfect yet protective trim, time after time.

### DuraPower technology

This beard trimmer uses DuraPower technology to reduce friction on the blades, preserve the motor, and keep your battery going four times longer.

### 30 min cordless use

Charge your trimmer for 8 hours with your USB cable to get 30 minutes of cordless use.

### USB charging

This beard trimmer comes with a USB cable for more flexible charging via your computer or any USB adaptor. The adaptor is not included (recommended adaptor Philips HQ80).

### Choose any of the 3 looks

Use the 5mm comb to trim your long beard, the 1mm comb to create a 3-day stubble look or use your trimmer without a comb to have a zero trim.

### Battery indicator

The green light on the adaptor lets you know when your device is charging.

### Skin-friendly blades

Designed to prevent scratches and irritation, the blades have rounded tips for smoother skin contact.

### Travel lock

The travel lock on the on/off button prevents the appliance from being switched on by accident.

### Easy to clean

Detach the head of your Philips beard trimmer and rinse it under the tap for easy cleaning. Then dry it before you put it back on the appliance.

### Ergonomic design

A fast trimmer that's comfortable to hold and use. So you can handle those hard-to-reach areas more easily.
