Perfection in every pass

Cuts up to 20% more hair* in a single pass

The Shaver 9000 is our most advanced shaver yet. The unique contour detect technology offers exceptional coverage over every contour of your face, and the V-Track system guides hairs into the best cutting position for the closest result.

Easy to use

- Shaver can be rinsed clean under the tap
- With 2 year guarantee
- 60 minutes cordless shaving after a one-hour charge
- Intuitive icons make the functions easy to use

A comfortable shave

- Personalise your shave by choosing between three settings
- Get a comfortable dry or refreshing wet shave with Aquatec

Designed for perfection

- Blades perfectly guide hairs into position for a close shave
- Heads flex in 8 different directions for a superb result

Get the most of your shaver

- Click-on brush for thorough facial cleansing

Highlights

60 minutes of cordless shaving

Now with the most superior battery life of all Philips Shavers, the charging system gives you two convenient options: 60 minutes of running time after a single one-hour charge, or quick charge for one full shave. All Shaver series 9000 models are designed to operate only in cordless mode to ensure safety in wet environments.

8 direction ContourDetect Heads

Follow every contour of your face and neck with 8 directional ContourDetect heads. You'll catch 20% more hairs with every pass, resulting in an extremely close, smooth shave.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

Built to last

We back this Philips shaver with a 2-year guarantee. Our 9000 Series Shavers are designed for performance and durability, promising you an extremely close shave time after time.

Digital LED display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: Personal comfort settings bar, Cleaning reminder, Travel lock symbol, 5 level Battery charge indicator, Replacement reminder, Notification symbol.

Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

Personal comfort settings

Choose between 3 modes to customise your shave: Sensitive – for a gentle yet thorough shave. Normal – for a thorough, everyday shave. Fast – for a quick shave that saves you time.

SmartClick cleansing brush

Click on brush to cleanse more thoroughly than by hand*. Use it with the cleanser of your choice. It removes dead skin cells and increases micro-circulation, leaving your skin feeling fresh and radiant.

V-Track precision blade system

Get the perfect close shave. The V-Track Precision Blades gently position each hair in the best cutting position, even flat-lying hairs and hairs of different lengths. Cuts 30% closer in fewer strokes, leaving your skin in great condition.
