# Highlights

## Efficiency cap

Efficiency cap puts epilator in optimal position for most efficient hair removal

## Two speed settings

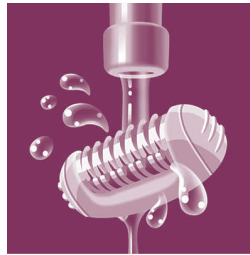

Extra speed setting for thin hairs and difficult-to-reach areas

## Efficient epilation system

This epilator is equipped with an efficient epilation system that leaves your skin smooth and stubble-free for weeks

## Washable epilation head

This epilator has a washable epilation head. This enables you to clean the epilation head under running water for better hygiene

## Ergonomic grip

The rounded shape fits perfectly in your hand for comfortable hair removal. It looks great too!
