# Highlights

## The perfect beard every day

Set the trimmer at the lowest position for a perfect 3-day beard, just 1 mm long.

## 10 lock-in length settings

Turn the wheel to simply select and lock-in the length settings you want: from a short beard of 1mm up to a full beard of 10mm, in precise 1mm steps.

## Self-sharpening blades

The self-sharpening steel blades on the Philips 3000 beard trimmer stay as sharp and effective

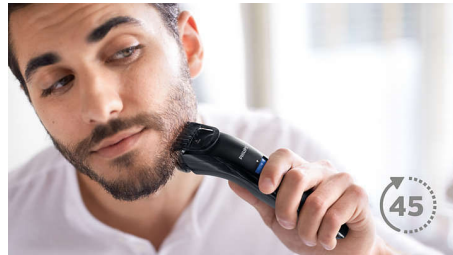

as on day 1 to deliver a perfect yet protective trim, time after time.

## Skin-friendly high-performance

Blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent irritation.

## Cordless Use

Rechargeable only. Up to 45 minutes of cordless power after 10 hours of charging.

## Ergonomic design

Easy to hold and use. Designed to help you trim those hard-to-reach areas.

## Easy to clean

Detach the head and rinse it under the tap for easy cleaning. Dry it before you put it back on the appliance.

## Built to last

All of our grooming products are built to last. They come with a 2-year warranty, never need to be oiled and are compatible with any voltage worldwide.
