Highlights

Ceramic plates

Ceramic is microscopically smooth and durable by nature and it is one of the best materials for straightening plates. The plates glide effortlessly through your hair, giving you perfect shiny hair.

Straightener attachment

The Ceramic plates glide effortlessly through your hair, giving you perfect straight and shiny hair.

Slide-on brush

This attachment can be easily placed on tong to create additional volume and beautiful wavy styles.

Slide-on spiral

Just follow the curves to create the most beautiful ringlets, it has never been so easy!

Small curling tong

If you want to create tight curls or ringlets, you need to use a curling iron with a small diameter.

Large curling tong

If you want to create beautiful curls or waves, you need this large curling attachment with a large sized diameter.

Hairclips

Use the hairclips to make sections, this will help you to style all your hairs easily.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

Ready to use indicator

This shows when the styler has reached the right temperature, so you can instantly see when you're ready to style.

Heat resistant pouch

This Heat Resistant pouch is perfect for styling on the go. Forget waiting for your styler to cool down. Simply store using the heat resistant pouch included.

Safety stand

The safety stand enables you to put the curler down safely during use.

On/off indication light
