## Cutter for your beard trimmer

Check for compatibility below

The stainless steel blades are double-sharpened cutting, even the thickest hair precisely. They sharpen themselves by lightly brushing against each other, so no replacement or oiling is needed throughout your trimmer's lifetime.

### **Ease of using Philips spare parts**

- Easily renew your product with original Philips parts

## Highlights

### Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.
