Dry, style and set your hair your way

SalonDry Control Hair Dryer

Take control of your blow dry with the SalonDry Control hair dryer. 2200W of professional drying power, Ionic conditioning and multiple settings means great hair styles – from dry to set to style.

Easy to use

- Salon length 3 m power cord for maximum flexibility
- Removable air inlet grill for easy cleaning
- Easy storage hook for convenient storage

Beautifully styled hair

- Professional 2200 W for perfect salon results
- Narrow concentrator for focused airflow
- Six flexible speed and temperature settings for full control
- Volume diffuser enhances volume, for curls and bouncy styles
- Cool Shot sets your style
- Dryer: With TurboBoost you dry faster, at the same heat

Less Hair Damage

- Ion conditioning for shiny, frizz-free hair

Highlights

Professional 2200 W

This 2200 W professional hairdryer creates a powerful airflow. The resulting combination of power and speed makes drying and styling your hair quicker and easier.

Ion conditioning

Give your hair an instant boost with ionic conditioning. Charged negative ions eliminate static, condition the hair and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is hair that is beautifully shiny, smooth and frizz-free.

Six flexible speed and temperature settings

The speed and heat required can be easily adjusted to create the perfect style. Six different settings ensure full control for precise and tailored styling.

Cool Shot

A must-have professional function for hair stylists. The Cool Shot button provides an intense burst of cold air. It is used after styling to finish and set the style.

Narrow concentrator

The concentrator of the hair dryer works by focusing the flow of air through the opening onto specific areas. This results in precise styling and is great for touch-ups or to finish a hair style.

Volume diffuser

The volume diffuser dries hair healthily, reduces frizz and increases volume by spreading the airflow across the hair. It adds lift and maximises volume, especially when used on the crown and root area, making it perfect for creating curls and bouncy styles.

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

3 m cord

The longer length results in improved flexibility and ease of handling, so you can use it anywhere you want.

TurboBoost

Dryer: With TurboBoost you dry faster, at the same heat.

Removable air inlet grill

The air inlet grill of this hairdryer can be removed for cleaning. Remove and clean regularly to prevent build-up.
