# Highlights

## 3 m cord

The longer length results in improved flexibility and ease of handling, so you can use it anywhere you want.

## Hairclips

Use the hairclips to make sections, this will help you to style all your hair easily.

## Heat resistant pouch

This Heat Resistant pouch is perfect for styling on the go. Forget waiting for your styler to cool down. Simply store using the heat resistant pouch included.

## Included: Brush

Use this high-quality brush to detangle and smooth the hair cuticles to give that extra shine to your hair.

## Large curling tong

If you want to create beautiful curls or waves, you need this large curling attachment with a large sized diameter.

## Small curling tong

If you want to create tight curls or ringlets, you need to use a curling iron with a small diameter.

## Straightener attachment

The Ceramic plates glide effortlessly through your hair, giving you perfect straight and shiny hair.

## Crimper

This attachment gives your hair a great funky texture.

## Conical curling tong

With the conical curling tong you can create different types of curls and waves: from tight ringlets to loose, natural looking curls and waves.

## UltraGliss Ceramic

For gentle gliding and a smooth shiny finish

## Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.
