**PHILIPS**

# Highlights

## Narrow concentrator

The narrow concentrator directs the airflow directly at the brush or comb for precise styling.

## 6 flexible settings

6 flexible speed and temperature settings

## CoolShot

CoolShot sets your style

## Easy storage hook

Easy storage hook

## Volume diffuser

Volume diffuser enhances volume, for curls and bouncy styles

## 1.8 m cord

1.8 m cord for maximum flexibility

## Aerodynamic design

This hairdryer has been developed using advanced technology to minimise the noise. Special fan design combined with the optimised air inlet grill results in a lower sound level.

## IonBoost

IonBoost: Ion conditioning for shiny, frizz-free hair

## Professional 2000 W dryer

Professional 2000 W for perfect salon volume
