Hair clipper  
Stainless steel blades 24 length settings, Corded use, 2 beard combs and case

HC5410/83

## Highlights

### DualCut Technology

Power through any hair type with our advanced DualCut Technology, which combines a double-sharpened cutting element with low-friction engineering. The innovative cutting element is designed to cut hair twice as fast as standard Philips clippers, with the added confidence of a robust steel guard for ultimate durability.\*

### Stainless steel blades

Self-sharpening stainless steel blades for long-lasting sharpness.

### 24 lock-in length settings

Turn the zoom wheel to simply select and lock in the length you want, with 23 length settings from 1 to 23 mm, and precisely 1 mm between

each length. Or you can use it without the comb for a close 0.5-mm trim.

### Efficient corded use

Power cord provides constant power.

### Easy to clean

Simply click open the detachable head to quickly release and wash the blades.

### 5-year worldwide warranty

All of our grooming products are built to last. They come with a worldwide guarantee and worldwide voltage compatibility. Simply register your clipper at [www.philips.com/5years](http://www.philips.com/5years) to receive an additional 3 years on top of your standard 2-year Philips guarantee,

giving you a 5 year worldwide warranty in total.

### Bonus 1.5- and 3-mm beard combs

Use your Philips hair clipper to style your beard. It comes with 2 dedicated beard comb attachments to give you the complete style you want.

### Hard storage case

Your clipper comes with a reliable hard case for complete durability, to ensure it is kept in optimum condition for ultimate power and precision, time after time.

### No oil needed

No oil needed, for easy maintenance and to save you time.
