## HAIRCLIPPER Series 3000 - Cuts twice as fast\*

with DualCut technology for a faster, sharper cut

The HAIRCLIPPER Series 3000 is built to last and engineered to perform. The innovative cutting element, stainless steel blades and adjustable hair comb are designed to give you a fast, sharp cut, time after time.

### Easy to use

- 'Quick release' blades for easy cleaning
- Efficient power system for corded use

### Performance

- Double-sharpened cutting element with reduced friction
- Self-sharpening steel blades for long-lasting sharpness

### Precise length control

- Easy to select and lock in 13 length settings: 0.5 to 23mm

### Built to last

- 2-year guarantee plus 3 years when you register the product online
- The blades never need oiling

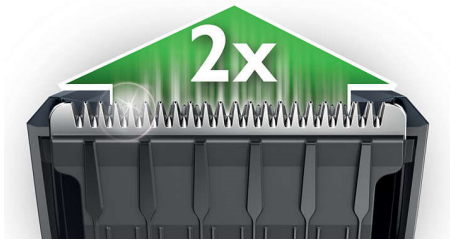

# PHILIPS

Hair clipper  
Stainless steel blades 13 length settings, Corded use

HC3400/13

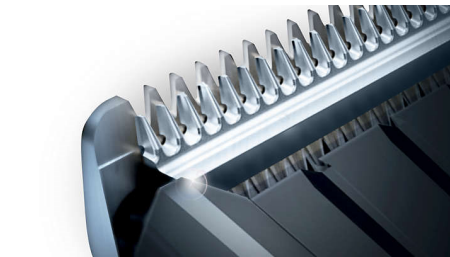

## Highlights

### DualCut Technology

Power through any hair type with our advanced DualCutTechnology, which combines a double-sharpened cutting element with low-friction engineering. The innovative cutting element is designed to perform time after time, cutting hair twice as fast as regular Philips clippers.\*

### Stainless steel blades

Self-sharpening stainless steel blades for long-lasting sharpness.

### 13 lock-in length settings

Simply select and lock in the length you want with the adjustable comb which provides 12 lock-in length settings from 1 mm to 23 mm, with precisely 2 mm between each length. Or you can use it without the comb for a close 0.5-mm trim.

### Efficient corded use

Power cord provides constant power.

### Easy to clean

Simply click open the detachable head to quickly release and wash the blades.

### 5-year worldwide warranty

All of our grooming products are built to last. They come with a worldwide guarantee and worldwide voltage compatibility. Simply register your clipper at [www.philips.com/](http://www.philips.com/) 5years to receive an additional 3 years on top of your standard 2-year Philips guarantee, giving you a 5 year worldwide warranty in total.

### No oil needed

No oil needed, for easy maintenance and to save you time.
