Highlights

Efficient epilation system

This epilator is equipped with an efficient epilation system that leaves your skin smooth and stubble-free for weeks

Ergonomic grip

The rounded shape fits perfectly in your hand for comfortable hair removal. It looks great too!

Two speed settings

Extra speed setting for thin hairs and difficult-to-reach areas

Washable epilation head

This epilator has a washable epilation head. This enables you to clean the epilation head under running water for better hygiene

Cordless precision epilator

A precious solution for precious body parts. Slender, gentle precision epilator ideal for sensitive areas and travelling.

Smart tweezers

Tweezers in an elegant case, with integrated light and mirror, ideal for eyebrows

Slim epilation head

For precise epilation in difficult-to-reach areas

Convenient pouch

Convenient pouch for protection, travel and storage

Exfoliation glove

Helps prevent in-grown hairs in between epilation sessions
