5000 Series

Hair Styling Set

BHH816/00

Highlights

Crimper for defined textures

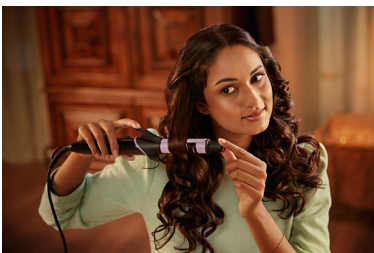

80mm Crimper plates for defined textures, gives hair a more layered look.

Straightener for sleek results

80mm straightening plates for perfect sleek results.

Curler for fabulous curls

25mm curling barrel for perfect tight to loose curls.

Up to 210°C temperature

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

Gentle on your hair

Protective ceramic coating ensures even heat distribution and less hair damage for shiny and soft hair.

OneClick release technology

Changing attachments has never been quicker or easier with the multi-styler's OneClick design. Simply click on and push the button, holding the cool tip, to release.

Fast heat up time

This styler has a fast heat up time, being ready to use in 60 seconds.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

1.6 m cord

Convenient to use thanks to the 1.6m power cord length.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.
