Highlights

Premium ice cooler with pivoting head

Follows every curve of the body perfectly for an optimal cooling and gentle epilation.

New ceramic epilation system

Thanks to its unique ceramic material and ergonomic shape the epilation head catches more hairs ensuring up to 20% faster* epilation.

*Compared to Philips Satin Ice.

Hypoallergenic discs

Reduce risk of allergic skin irritation, taking extra care of your skin.

Active massage system for skin relaxation

The integrated massaging system relaxes your skin and makes Satinelle Ice the gentlest epilator from Philips.

Additional delicate area ice cooler

Luxury storage pouch

Convenient storage and easy usage anytime and anywhere.

Exfoliating body puff

The Satinelle Massage comes with an exfoliating body puff for use in the shower, which you can use to prepare your legs for hair removal. Regular use will keep your legs silky smooth and help you avoid the re-growth of hairs under the skin (in-grown hairs) in addition to polishing and refining your skin.
