Highlights

DualCut technology

This all-in-one hair trimmer features advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

14 tools for face, hair and body

The Philips Multigroom 7000 all-in-one hair trimmer comes with 14 attachments to provide a full-body grooming solution.

Full-metal trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Bodyshaver with skin protector

Comfortably shave below the neck with our unique skin-protection system that guards even the most sensitive areas of your body and lets you shave as close as 0.5 mm

Precision shaver

Use the precision shaver after trimming, to perfect the edges of your cheeks, chin and neck.

Full-metal detailer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

8 Impact-resistant combs

Quickly touch up your face and hair with the eight reinforced cutting guards. 2 stubble combs for 1 mm and 2 mm trimming, an adjustable beard comb, 3 hair combs at 9 mm, 12 mm and 16 mm, and 2 body combs for 3 mm and 5 mm grooming.

Soft rubber grip

Your trimmer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

Showerproof

This trimmer is designed to be water-resistant, so that you can use it comfortably in the shower and easily clean it under the tap.
