- Wet & dry use for maximum convenience
- Battery indicator light shows when charging & battery level
- Travel pouch
- Rechargeable Lithium-Ion battery for 1 hour of cordless use
- Ergonomic S-shaped handle

Personalized hair removal solutions

- Efficiency cap ensures more hairs shaved in a single pass
- Soft glide cap ensures a more gentle shave
- Trimming comb to achieve desired hair length

A smooth, skin-friendly shave

- Floating foil provides a closer, more even shave
- Pearl-tip trimmers protect your skin from irritation

BRL140/50

Highlights

Floating foil

The floating foil glides seamlessly along your body's curves and contours, maintaining close contact with the skin for an even shave.

Pearl-tip trimmer

The rounded pearl-tip trimmers in front of and behind the shaving foil ensure the shaver glides smoothly to prevent irritation.

Ergonomic S-shaped handle

The ergonomic S-shaped handle is easy to steer for maximum control and better reach with natural and precise movements, all over your body.

Wet and dry use

For gentle and comfortable use during your shower or bath routine with an anti-slip grip.

Battery indicator light

Battery indicator light alerts you as to when your shaver is charging and when it needs to be recharged, so you're never surprised by a low battery mid-treatment.

Trimming comb

For more convenience, it includes a trimming comb to trim and shape delicate areas

Soft glide cap

Soft glide cap covers the back trimmer on the shaver head for extra safety in curvy areas and glides along the skin for a comfortable shave.

Efficiency cap

Efficiency cap gently pulls the skin taut, guiding more hair into the shaving foil for a more effective shave.

Lithium-Ion battery

Rechargeable Lithium-Ion battery provides 1 hour of cordless use after an 8 hour charge.

Travel pouch

Travel pouch for storage and transport.
