- Multifunctional display
- Vacuum system captures cut hairs for mess-free trimming
- Travel Lock
- 2-year guarantee, worldwide voltage

### Create the look you want

- 18 secured length settings from 1mm up to 18mm

### Provides optimal power

- Strong lithium-ion battery for optimal power use
- Corded and cordless use for maximum power and freedom
- Turbo power boost button boosts cutting and fan speed

# Highlights

## Contour following comb

Flexing guide comb that follows every curve of your face for getting an even trim in an easy and comfortable way.

## 18 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

## Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in only 1 hour for 75 minutes use.

## Multifunctional display

Multifunctional display shows easily the length setting

## Stubble comb

The stubble comb has been designed for giving more sight while you are trimming as there are no frontal teeth. Moreover, by applying the tip of the trimmer fine contours are possible, by applying the trimmer at different angle on the skin you get more control on individual hair length. This comb is ideal for a perfect stubble or a 5 o'clock shadow where every detail counts.

## Turbo power boost button

When greater suction power and increased cutting speed is desired while trimming, simply press the Turbo Power Button.

## Travel lock

Travel lock option protects your product against unintentionally switching on when you are carrying it in your bag.

## Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.

## Corded and cordless use

Use your Philips trimmer corded or cordless with the recharged battery for maximum power and freedom.

## 2-year guarantee

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility.
