Highlights

Rotary nose trimmer

Quick and easy solution to get rid of unwanted hair. The rotating blades are protected by a metal guard to provide a powerful yet protective trim without nicks and cuts.

Waterproof

The trimmer is waterproof and easy to clean under tap water after each use.

Rotative switch

Gently rotate the handle of the device towards the left to turn it on.

Battery operated

To change the battery, rotate the handle and open the device to reach the battery compartment.

2-year worldwide warranty

All of our grooming products are built to last and engineered to give a reliable performance, time after time. This trimmer comes with a 2-year worldwide warranty.
