- Shaving heads move in 8 directions for a smoother result

Get the most of your shaver

- Click-on Beard Styler with 5 length settings
- Convenient case for on-the-go

Highlights

Contour Detect Technology

The Philips shaver is an electric shaver that delivers our closest shave ever*. Its Contour Detect technology gently follows your facial contours to capture 20% more hairs* in a single pass.

V-Track Precision Blades

Not only do the V-Track Precision Blades give you a super-smooth shave that's 30% closer*, they're also self-sharpening for continued results day after day.

Shave Wet or Dry

The wet and dry shaver can be used to your preference. At the sink or in the shower, get a convenient dry shave or pair with your favourite foam or gel for a refreshing wet shave.

3-level battery indicator

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3-level battery indicator - cleaning indicator - battery low indicator - replacement head indicator - travel lock indicator.

Super Lift & Cut Action

Twin blades of this precision shaver give you a supremely close shave. The first blade lifts the hair, while the second comfortably cuts below skin level, which gives you exceptionally smooth results.

SmartClick Beard Styler

5 built-in length settings for trimming stubble to a short beard. Rounded tips and comb are designed to prevent skin irritation.

50 shaving minutes

A powerful lithium-ion battery gives you more shaves per charge. Charge it for an hour for up to 50 minutes of shaving time. Charge it for 5 minutes and you'll have enough power for one shave.

Travel case

The sleek design of the shaver storage case takes up less space and the built-in ventilation chamber dries your electric shaver even when you're on the go.

Full 2 Year Warranty

Your shaver comes with a full 2-year warranty. Our Series 9000 Shavers are designed for performance and durability, promising you an extremely close shave time after time.
